  - Dashboard Indicators

You can export a Detailed Assessment Report to Word to review your work and run spell check.

**Reminder...2012-13 Annual Alignment Plan Updates to be completed by October 1.**

Did you know WEAVEonline reports use pop-up windows?

If you ever have trouble seeing reports in WEAVEonline, you may need to allow pop-up windows from app.weaveonline.com

The browser you use may need to be configured to accept pop-up windows. In Firefox you can access through Tools > Options and in Internet Explorer via Tools > Internet Options.

For instructions on running reports and a complete list of available reports, login into WEAVEonline, select Reports > Help > Help for This Page.

Sample Assessment Measures

Do you wonder what other institutions are measuring? The office of Planning and Performance has a compendium of metrics used for internal assessments at other universities. Here are a few examples that might help you think of measures that would be applicable to your area.

- Freshman applicant acceptance rate
- Percentage of area residents visiting campus
- Number of shuttle riders
- Deferred maintenance ratio
- Debt service coverage ratio
- Average student debt at graduation
- Participation rate in professional development programs
- Workforce retention rate
- Percent of classes taught online
- Percent of student participating in study abroad programs
- Number of library books per student FTE
- Percent of freshmen participating in orientation programs
- Retention rate of students receiving support services

Call our office to receive a more detailed list of examples.
